

Fill in the gaps

While I'm away
You can let the mask go (1) on you
Let the mask do (2) I do
If I was there
You'd better explain
That I have a vendetta in my narrow bones
I have a vindictive eye
Over jealousy, I have no control
I never get your (3) out of my head now,
baby
I never get your bullet out of my mind
I never get your bullet out of my head now, baby
I (4) get (5) bullet out of my mind
How can I get your (6) out of my head now?
I have no control, but I try, yeah, I try
I better explain that I (7)
A red vendetta in my narrow bones

And a wicked, indicative eye
Over yellow jealousy
I have no control, no control
I (8) get your bullet out of my head now, baby
I never get your bullet out of my mind
I never get your bullet out of my head now, baby
I never get your bullet out of my mind
I get out of my head
I get out of my head now
I get out of my head
I get out of my (9) now
I get out of my head
I get out of my head now
I get out of my mind
