

## Fill in the gaps

Rise above gonna start the war	-Raise up to your ability-
What you want, what you need,	I'm scared but I'll disappear
What'd you come here for?	Run (8) before I'll come with you
Well, an eye for an eye	(9) he's someone who's lost his way
And an 'F' for fight	-Raise up to your ability-
They're taking me down as a prisoner's riot	I know that you wanna
I've got shackles on, my words are tied	Because it's possible to see
Fear can make you compromise	Of my ability
Lights turned up, it's hard to hide	-Raise up to your ability-
Sometimes I want to disappear	Yeah you have decided it
(1) I feel kinda bad and don't want to stress	Yeah so I can see you
I just pass it off, on ability	Yeah I'm gonna away to my way
(2) you got (3) you want, and what you	Focus on your ability
never knew	Focus on your ability
Perfect gift from me to you	Now focus on your ability
I've got shackles on, my words are tied	Focus on your ability
Fear can make you compromise	Then they (10) get what they want to steal
With the lights (4) up, it's hard to hide	Cannot get what they want to steal
Sometimes I want to disappear	Then they cannot get what they want to steal
-Raise up to your ability-	Cannot get what they want to steal
You never (5) what I (6) find	
What to (7) when they realize	
Don't, no one want to compromise
