

Fill in the gaps

-Could have, could-								
As a child, my mother said to me								
Don't be afraid to lead the way you see								
And it's only you who knows								
Nobody (1) can see								
But do I chase myself (2) the dark?								
In the thousand ways to lead me (3) to start								
But you make it easy, you								
To be who I want to be								
And if the man in (4) comes over								
Then I know you'll still be there for me								
To (5) (6) the wolves around us								
I keep the (7) inside my mind								
To (8) me how to (9) the darkness								
You will take me home and (10) believe me								
-Could have, could-								
Take my (11) and (12) me out from								
here								
Hunted down, their (13)								
(14) near								
I (15) you would come for me								

I'm sor	ry you're ir	so de	еер
