

For once there is nothing up my sleeve Just some scars from a life That used to trouble me I used to run at first sight of the sun Now I lay here waiting for you to wake up The city outside still sounds like it's on fire You put on new sheets The white flag of a Saturday night I know we stayed up talking in circles But I like to think the symmetry Will keep me closer to you For everyone, I'm out to prove wrong You keep the (1)_____ on The only one, you know me better than the truth So, despite (2)_____ I've done I pray to God that we can (3)____ Because thus far you are the best thing That this life has yet to lose And, for once there is nothing up my sleeve Just some scars from a life that used to trouble me I used to run at first sight of the sun Now I lay here waiting for you to wake up I lay here (4)_____ for you to wake up So if you gonna leave, if you (5)_____ go I can't barely sleep without you in my arms

Fill in the gaps

I know we got (6) up slipping	
Through a crowd of people and losers	
But you must not let them take you	
They don't know you like I do	
For once there is (7) up my slee	eve
Just some (8) (9) a life t	hat used to
trouble me	
I used to run at first sight of the sun	
Now I lay here waiting for you to wake up	
I lay here waiting for you to wake up	
Do you remember when we stayed up	
Till the sun strikes through the room?	
I used to blame it	
On the Queens walking down 7th avenue	
It's been years now since we moved	
I've gotten through with an excuse	
You know I try not to speak superlatives	
But it's impossible to you	
The city outside is nothing but a flicker now	
You see your friend at bed, you turn out the lights	
I start to think you'll make a beautiful mother	
I, I like to think	
I've everything I want from this life
