down 7th

For once there is nothing up my sleeve	I (18) we got caught up slipping
(1) some scars from a life	Through a crowd of people and losers
That (2) to trouble me	But you must not let them take you
I used to run at first sight of the sun	They don't know you like I do
Now I lay here waiting for you to (3) up	For once there is nothing up my sleeve
The city outside still sounds like it's on (4)	Just some scars from a life that used to
You put on new sheets	(19) me
The (5) flag of a Saturday (6)	I used to run at first sight of the sun
I know we stayed up talking in circles	Now I lay here waiting for you to wake up
But I like to think the symmetry	I lay here waiting for you to wake up
Will keep me closer to you	Do you remember when we stayed up
For everyone, (7) out to prove wrong	Till the sun strikes through the room?
You keep the light on	I (20) to blame it
The (8) one, you know me better than the	On the Queens (21) down 7th

So, despite what (10) done I pray to God that we can move on Because thus far you are the best thing	It's been years now (23) we moved I've gotten through with an excuse You know I try not to speak superlatives
So, despite what (10) done I pray to God that we can move on Because thus far you are the best thing That (11) life has yet to lose	It's been years now (23) we moved I've gotten through with an excuse You know I try not to speak superlatives But it's impossible to you
So, despite what (10) done I pray to God that we can move on Because thus far you are the best thing That (11) life has yet to lose And, for once there is nothing up my sleeve	It's been years now (23) we moved I've gotten through with an excuse You know I try not to speak superlatives But it's impossible to you The city outside is nothing but a flicker now
