

Fill in the gaps

Slow down	And even though she moved away
We've got (1) left to be lazy	We always get calls from our daughter
All the (2) have bloomed (3) babies	She has eyes just like her father's
Into flowers in our eyes	They are blue (14) skies are grey
We've got 50 good years left to (4) out in the	And (15) like him, she never stops
garden	Never takes the day for granted
I don't care to beg your pardon	Works for everything that's (16) to her
We should live (5) we die	Never (17) complains
We were (6) 18	You think that I nearly (18) you
When we'd crossed collective hearts	When the doctors tried to take you away
It was cold, but it got warm	But (19) the night you took my hand beside the
When you'd barely crossed my eye	fire
And then you turned, put out your hand	30 (20) ago to this day
And you asked me to dance	You swore you'd be here
I knew nothing of romance	Till we (21) that it's our time
But it was love at second sight.	But it's not time, you've never quit in all your life
I swear when I grow up	So just take my hand
I won't just buy you a rose	You know (22) I'll never leave (23) side
I will buy the flower shop	You're the love of my life
And you will never be lonely	You know that I'll never leave your side
Even if the sun stops (7) up over the fields	You come home from work and you kiss me on the eye
I (8) not leave, I will not leave till it's our time	You (24) the dogs
So just take my hand, you know that	You say that I should never feed them
I will (9) (10) your side	"Wacht its eyes"
It was the (11) of 86	And so we move out to the garden
All the (12) had frozen over	Look at everything we want
So we moved to Arizona	And the (25) are (26) home
To save our only son	So I'll set the table
And now he's turning to a man	You can make the fire
(13) he thinks just like his mother,	
He believes we're all just lovers	
He sees hope in everyone.
