

## Fill in the gaps

I'm a phoenix in the water	You'll be always on my mind
A fish that's learnt to fly	But there's a shining in the shadows
And I've always been a daughter	I'll (4) know unless I try
But feathers are meant for the sky	With every small disaster
So I'm wishing, wishing further	I'll let the waters still
For the excitement to arrive	Take me away to some (5) real
It's just I'd rather be causing the chaos	Because they say home is
Than laying at the sharp end of this knife	Where (6) heart is set in stone
With every small disaster	Is where you go when you're alone
I'll let the waters still	Is where you go to rest your bones
Take me away to some (1) real	It's not just where you lay your head
Because they say home is	It's not (7) where you make your bed
Where your heart is set in stone	As long as we're together, does it matter (8) we
Is where you go when you're alone	go?
Is where you go to rest your bones	Home, home, home
It's not just where you lay your head	Because they say home is
It's not just where you make your bed	Where your heart is set in stone
As long as we're together, does it matter where we go?	Is where you go when you're alone
Home, home	Is where you go to rest your bones
So when I'm ready to be bolder	It's not (9) where you lay your head
And my cuts have healed (2) time	It's not just where you make your bed
(3) will rest on my shoulder	As long as we're together, does it (10) where
And I'll bury my future behind	we go?
I'll always keep you with me	Home, home, home
