

Fill in the gaps

I never meant to be so bad to you	(CHORUS)
One thing I said that I would never do	'Cause it's the heat of the moment
A (1) (2) you and I would (3)	Heat of the moment
from grace	Heat of the moment showed in your eyes
And that would wipe this smile right from my face	And (7) your looks are (8) and you're
Do you remember when we used to dance	alone
And incidence arose from circumstance	How many (9) you sit beside the phone
One thing lead to another we were young	What were the things you wanted for yourself
And we would scream (4) songs unsung	Teenage ambitions you remember well
(CHORUS)	(CHORUS)
It was the heat of the moment	It was the heat of the moment
Telling me what a heart meant	Telling me what your heart meant
Heat of the moment (5) in your eyes	Heat of the moment showed in your eyes
And now you find yourself in 82	It was the heat of the moment
The disco (6) hold no charm for you	Heat of the moment
You can't concern yourself with bigger things	Heat of the (10) showed in your eyes
You catch a pearl and ride the dragons wings
