

Fill in the gaps

I never (1) to be so bad to you	(CHORUS)
One (2) I (3) (4) I would	'Cause it's the heat of the moment
never do	Heat of the moment
A (5) (6) you and I (7) fall	Heat of the moment showed in your eyes
from grace	And (17) your looks are gone and you're alone
And that would wipe this (8) right from my face	How many (18) you sit beside the phone
Do you remember when we used to dance	What were the things you (19) for yourse
And incidence arose from circumstance	Teenage ambitions you remember well
One thing (9) to another we were young	(CHORUS)
And we would (10) together songs unsung	It was the heat of the moment
(CHORUS)	Telling me what your heart meant
It was the (11) of the moment	Heat of the moment showed in your eyes
Telling me what a (12) meant	It was the (20) of the moment
Heat of the moment showed in your eyes	Heat of the moment
And now you (13) yourself in 82	Heat of the moment (21) in your eyes
The disco hotspots hold no charm for you	
You can't concern yourself with (14) things	
You catch a (15) and (16) the	
dragons wings
