Heat Of The Moment by Asia

Fill in the gaps

I (1) meant to be so bad to you	(CHORUS)
One thing I said that I would never do	'Cause it's the heat of the moment
A look from you and I would (2) (3)	Heat of the moment
grace	Heat of the moment (6) in your eyes
And that would (4) this smile right from my face	And when your looks are gone and you're alone
Do you remember when we used to dance	How many nights you sit beside the phone
And incidence arose from circumstance	What were the things you wanted for yourself
One thing lead to another we were young	Teenage (7) you remember well
And we would scream together songs unsung	(CHORUS)
(CHORUS)	It was the (8) of the moment
It was the heat of the moment	Telling me what your heart meant
Telling me what a heart meant	Heat of the moment showed in your eyes
Heat of the moment showed in your eyes	It was the heat of the moment
And now you find yourself in 82	Heat of the moment
The disco hotspots hold no charm for you	Heat of the moment showed in (9) eyes
You can't concern yourself with (5) things	
You catch a pearl and ride the dragons wings
