

Fill in the gaps

We are difficult to understand	Shivers up and down my spine
It was hard to (1) (2) simple plan work	Feed to the teeth
Difficult, but that's what made it burn	Inside this big bright world
You're a satellite around my heart	Inside this big bright world
One million miles before the start	Inside this big bright world
Indescribable, but that's (3) makes it you	Round and around in the setting sun
Shivers up and down my spine	Round and around in the setting sun
Feed to the teeth	Round and around in the setting sun
Inside this big bright world	Round and around and around and around and around
Inside this big bright world	Inside this big (7) world
Inside this big (4) world	Inside (8) big bright world
We rage against the dying	Inside (9) big bright world
Rage against the dying light	Rage (10) the dying
You're mysterious, you make no sense	Rage against the dying light
I love you because you're innocent	I'm with you
You fell out through a hole inside the sun	(bis)
So (5) the best inside me	
Build the parts so you can't find me	
The parts (6) won't give out when things get hard
