Salute the sun I've been sitting here all (1) long	Into (16) arms I'm falling
Hauling rock over Buddha	-l'm falling, l'm falling-
With the Longhorn	I don't know why (17) are calling on the radio
Got a (2) rip a pocket off my uniform	They know I'm here just out of sight
With the (3) Watch boys get your heads down	I don't know why they're calling on the radio
Duty (4) but it is way too (5)	He's by my side and I know I'm right
I'm too far gone	I don't know why they are calling on the radio
Waiting for Godot (6) (7) my pants	They know I'm here (18) out of sight
down	I don't know why they're calling on the radio
Cracked the stash sent me crying in the midday sun	He's by my side and I (19) I'm right
I miss my dog and I (8) my freedom	My brain my body's fried
I don't (9) why they are calling on the radio	I've got to stay alive
They (10) I'm here just out of sight	I've got to take a chance and keep on moving
I don't know why they're calling on the radio	Keep on moving
He's by my side and I know I'm right	I don't know why they are (20) on the radio
I don't know why they are (11) on the radio	They (21) I'm here just out of sight
They know I'm here just out of sight	I don't know why they're (22) on the radio
I don't know why they're (12) on the radio	He's by my side and I know I'm right
He's by my (13) and I know I'm right	I don't (23) why they are calling on the radio
I hate the things I think (14) you when I'm all	God is on my side and I know I'm right
alone	I don't know why they are calling on the radio
I know you're tough but I've been gone for so long	God is on my side and I (24) I'm right
I play the memories of you inside my head	I see your light (25) miles away
So all these pictures of us burn and radiate	I see (26) light from miles away
Watch the clouds and I'm falling	
Falling (15) the cracks	
Head beats and the heart is pounding fast	
Off the ground into the starry dark
