

## Fill in the gaps

Dreams, that's where I have to go	But I'm not even close without you
To see your beautiful face anymore	If you ask me how I'm doing
I stare at a picture of you, and listen to the radio	I (10) say I'm doing (11) fine
Hope, hope there's a conversation	I would lie and say that you're not on my mind
(1) we (2) admit we had it good	But I go out and I sit (12) at a table set for two
But (3) then it's alienation, I know	And finally I'm forced to (13) the truth
That much is understood and I realize	No matter (14) I say I'm not over you
If you ask me how I'm doing	And if I had the (15) to renew
I would say I'm doing just fine	You know there isn't a thing I wouldn't do
I would lie and say (4) you're not on my mind	I could get back on the right track
But I go out and I sit (5) at a table set for two	But only if you'd be convinced
And (6) I'm forced to face the truth	So until then
No matter what I say I'm not over you	If you ask me how I'm doing
Not over you	I (16) say I'm (17) just fine
Damn, damn girl you do it well	I (18) lie and say (19) you're not or
And I thought you were innocent	my mind
Took this heart and put it through hell	But I go out and I sit down at a table set for two
But still you're magnificent	And (20) I'm forced to face the truth
I'm a boomerang, doesn't (7) how you throw	No (21) what I say I'm not (22) you
me	
I turn around and I'm back in the game	Not (23) you, not (24) you, not
Even (8) the old me	(25) you
