Fill in the gaps

(Kissed you) Good night by Gloriana

| I dropped you off | I was right on the edge and ready to fall |
|---|---|
| Just a little after midnight | So I turned off the car |
| Sat in my car | Ran through the yard |
| Till you turned off your porch light | Back to your front door |
| I should have kissed you | Before I could knock |
| I should have pushed you up against the wall | You (6) the lock |
| I should have kissed you | And met me on the front porch |
| Just like I wasn't scared at all | And I kissed you, goodnight |
| I (1) off the car | And now that I've kissed you |
| Ran (2) the yard | It's a good night, good night, baby goodnight |
| Back to your front door | I turned off the car |

| You turned the lock | Back to your front door |
| And met me on the front porch | Half scared to death can't catch my breath |
| And I kissed you, goodnight | Aren't (7) the moments we live for? |
| And now that (3) kissed you | And I kissed you, goodnight |
| It's a good night, good night, baby goodnight | And now that I've kissed you |
| You couldn't see me | (8) a good night, good night, baby goodnight |
| Watching through the window | It's a good night, good night, baby goodnight |
| Wondering what went wrong | It's a good night, good night, baby goodnight |
