Fill in the gaps

(Kissed you) Good night by Gloriana

I (1) you off	I was right on the (13) and ready to fall
Just a little after midnight	So I turned off the car
Sat in my car	Ran (14) the yard
Till you (2) off (3) (4)	Back to (15) front door
light	(16) I could knock
I (5) have kissed you	You turned the lock
I should have pushed you up against the wall	And met me on the front porch
I should have kissed you	And I kissed you, goodnight
Just like I wasn't scared at all	And now that (17) (18) you
I turned off the car	(19) a good night, good night, baby
Ran through the yard	goodnight
(6) to your front door	I turned off the car
Before I could knock	Ran through the yard
You (7) the lock	Back to your front door
And met me on the front porch	Half scared to death can't catch my breath
And I kissed you, goodnight	Aren't (20) the moments we live for?
And now that I've kissed you	And I kissed you, goodnight
It's a good night, good night, baby goodnight	And now that I've kissed you
You couldn't see me	(21) a (22) night, good night, baby
Watching (8) the window	goodnight
Wondering what went wrong	(23) a (24) night, good night, baby
Praying (9) you wouldn't go	goodnight
You should (10) kissed me	It's a good night, (25) night, baby goodnight
You should have pushed me up against the wall	It's a (26) night, good night, (27)
You (11) kissed me	goodnight
