(Kissed you) Good night by Gloriana

I dropped you off

Just a little after midnight

Sat in my car

Till you turned off your porch light

I should have kissed you

I should have pushed you up against the wall

I should have kissed you

Just like I wasn't scared at all

I turned off the car

Ran (1)_____ the yard

Back to your front door

Before I could knock

You turned the lock

And met me on the (2)_____ porch

And I kissed you, goodnight

And now that (3)_____ (4)_____ you

It's a good night, good night, baby goodnight

You couldn't see me

Watching through the window

Wondering what went wrong

(5)_____ that you wouldn't go

You (6)_____ have (7)_____ me

You should have pushed me up against the wall

You should have kissed me

I was right on the edge and (8)_____ to fall

So I turned off the car

Ran through the yard

Back to your front door

Before I could knock

You turned the lock

And met me on the front porch

And I kissed you, goodnight

And now (9)_____ I've kissed you

It's a good night, good night, baby goodnight

I turned off the car

Ran through the yard

Back to your front door

Half scared to death can't catch my breath

Aren't these the moments we live for?

And I kissed you, goodnight

And now that I've kissed you

It's a good night, good night, baby goodnight

It's a good night, good night, baby goodnight

It's a good night, good night, baby goodnight

It's a good night, good night, baby goodnight
