

Fill in the gaps

And I, I blow out a wish in	(5) way to (6) no one
Made it my mission	ever stays long
To end the conflict	It's over (7) you wake up
But oh, I blow out a wish in	So I knew that it was in the (8) perfect
Hoping you'd listen	world
Be my accomplice	We can be more than before
But oh, relax, it's only dreaming fast	Said it was, I made it stronger
Giving way to feelings no one (1) stays long	(9) get mad
It's (2) when you wake up	You did your best
So I knew that it was in the (3) perfo	ect And now it's all in the past to stay
world	So I knew that it was in the picture (10)
We can be (4) than before	world
I said it was, I made it stronger	We can be more than before
From the beginning my head was spinning	I said it was, I made it stronger
The perfect start, oh, a church	In the picture perfect world
A place to fit in, a new religion	We can be more than before
I found your heart	I said it was, I made it stronger
Relax, it's only dreaming fast
