

Fill in the gaps

We all have a weakness	at least we dig each other.
But some of ours are easy to identify. Look me in the eye,	So when sickness turns my ego up
and ask for forgiveness.	I know you'll act as a clever medicine.
We'll make a pact to never (1) that word again.	If I turn (7) another,
Yes, you are my friend.	dig me up from (8) what is covering
We all have something that (2) at us,	The better part of me.
at least we dig each other.	Sing this song!
So when weakness turns my ego up	Remind me that we'll always have each other
I know you'll count on the me (3) yesterday.	when everything else is gone.
If I turn into another	Oh, (9) other when everything (10) is
dig me up from under (4) is covering	gone.
the better part of me.	Oh! If I turn into another,
Sing this song	Dig me up from under what is covering
remind me that we'll always have each other	the better part of me,
when everything else is gone.	Sing this song!
We all have a sickness	remind me that we'll always have each other,
that (5) attaches and multiplies	When everything else is gone
No matter how we try.	Oh! Each Other, When everything else is gone.
We all have someone that (6) at us,	Oh, Each other,When everything else is gone.
