

Colours by Grouplove

Fill in the gaps

Yeah, I am a man, man, man, man
Up, up in the air
And I run around, around, around, around this town, town
And act (1)_____ I don't care
So when you see me flying by the planet's moon
You don't need to explain if everything's changed
Just know I'm just like you
So I pull the switch
The switch, the switch inside my head
And I see black, black, green and brown
Brown, brown, brown and blue, yellow, violets, red
And suddenly a light appears (2)_____ my brain
And I (3)_____ of my ways
I (4)_____ of my days and know that I have changed
It's the colours you have
No need to be sad
It really ain't that bad
It's the colours you have
No need to be sad
You've still got your hands
So mistress, mistress have you been up to the roof?
He shot himself, self
There's blood on the wall
Because he couldn't face the truth
Oh, knock that down
Leave the ground and find some space
And tell your friends, friends
You'll be (5)_____ again, again
Before it's too late

It's the (6)_____ you have
No need to be sad
It really ain't that bad
It's the colours you have
No need to be sad
It really ain't that bad
It's the colours you have
No need to be sad
You've still got your hands
So I am a man, man, man, man
Up, up in the air
And I (7)_____ around, around, around this town,
town
And know I shouldn't care
So when you see us there
There out in the open road
You don't need to explain
If everything's changed
Just (8)_____ that you don't know
We call it life
Oh yeah, that's what we call it
When we can't call it at all
We call it life
Oh yeah, that's what we call it
When you can't (9)_____ it at all
Yeah, We call it oh
That's what we call it
We do it for love, (10)_____ love

Answer

1. like
