

## Fill in the gaps

You got me (1) in all this mess	When you go in for a hug and (13) cheeks brush
I guess we can blame it on the rain	Tell me am I crazy
My pain is (2) I can't have you	Or is this (14) than a crush?
I can't (3) you	Maybe I'm alone in this
Tell me, does she look at you the way I do?	But I (15) (16) in solitude knowing
Try and (4) the (5)	If I had but just one kiss this (17) (18)
ou say	
And the way you move?	(19) be glowing
Does she get the same big rush	We'd be glowing
When you go in for a hug and your cheeks brush?	We'd be glowing
Tell me, am I crazy	Does she, tell me
Or is this more than a crush?	Does she look at you the way I do
I catch my breath	Try and (20) the words you say
The one you (6)	And the way you move
The (7) you entered the room	Does she get the same big rush
My heart, it breaks at the (8)	When you go in for a hug and your (21)
Of her holding you	brush
(9) she (10) at you the way I do	Tell me am I crazy
Try and understand the (11) you say	Or is this (22) than a crush?
And the way you move	ls (23) (24) (25) a crush?
Does she get the (12) big rush
