

## Fill in the gaps

You got me caught in all this mess		When you go in for a hug and (5)	_ cheeks brush
I guess we can blame it on the rain		Tell me am I crazy	
My pain is knowing I can't have you		Or is (6) more than a crush?	
I can't have you		Maybe I'm alone in this	
(1) me, does she (2)	_ at you the way I	But I find peace in solitude knowing	
do?		If I had but just one kiss this whole room	
Try and understand the words you say		Would be glowing	
And the way you move?		We'd be glowing	
Does she get the same big rush		We'd be glowing	
When you go in for a hug and (3)	_ cheeks brush?	Does she, tell me	
Tell me, am I crazy		Does she look at you the way I do	
Or is this more than a crush?		Try and understand the words you say	
I catch my breath		And the way you move	
The one you (4)		Does she get the same big rush	
The moment you entered the room		When you go in for a hug and (7)	_ cheeks brush
My heart, it breaks at the thought		(8) me am I crazy	
Of her holding you		Or is this more than a crush?	
Does she look at you the way I do		Is this more (9) a crush?	
Try and understand the words you say			
And the way you move			
Does she get the same big rush
