I like it like that by Hot Chelle Rae

Let's get it on, yeah, you all can come along	Because the girls're playing beer pong in the back
Everybody drinks on me, bought out the bar	We're having fun partying till the break of dawn
Just to feel like I'm a star	Go grab a cup I don't know what people waiting on
Now I'm thanking the academy	And I'm gonna want a girl that I (6) I can take
Missed my (1) home, lost my iPhone	home
I wouldn't have it any other way	In the zone, where I think I had lost my phone
If you're (2) me let me hear you say	You can tell by looking in the party's straight crack
I like it like that	And don't worry (7) it girls because I like it
Hey windows down, chilling with the radio on	like
I like it like that	I'm max faded at my grandma's house
Damn, sun's so hot,	And leave your clothes over there, that's grandma couch
Make the girls take it all off	I be filming her friends too, yeah I'm back on that
I like it like that	Double D chicks hugging, I got racks on racks
Yeah, one more time, I can never get enough	Like, I don't want the luxuries of a superstar
Of everybody singing right back, I like it like that	I'm just trying to chill with Miley at the hookah bar
-I like it like that, I like it like that-	You like cartoons? I'll make your heart melt
Till the (3) of dawn, yeah, party on the lawn	With the seat back, playing in the back, like
Whistle as the girls walk by	
If the cops roll up -so what?-	I (8) it like that
Pour the cops a cup because everybody's here tonight	Hey windows down, (9) with the radio
Call a taxi, pack the back seat	on
Call a taxi, pack the back seat I wouldn't (4) it any other way	on I like it like that
