

Everybodys bleeding

Fill in the gaps

Mother mother tell your children	cause the times are tough
That their time has (1) begun	Well its hard to be strong
have suffered for my anger	When theres no one to dream on
There are wars that cant be won	Faith: you know (5) gonna live thru the rain
Father father please believe me	Lord you got to keep the faith
am laying down my guns	Now you know is not too late
am (2) like an arrow	Oh you got to keep the faith
Forgive me	Faith: dont let your love turn to hate
Forgive your wayward son	Right now we got to
Everybody needs somebody to love	Keep the faith
(mother, mother)	Keep the faith
Everybody needs somebody to hate	Keep the faith
(please believe me)	Lord we got to keep the faith
Everybodys bitching	Walking in the footsteps
cause they cant get enough	Of societys lies
And its hard to hold on	I (6) like what I see no more
When theres no one to lean on	Sometimes I wish (7) I was blind
Faith: you know youre gonna live thru the rain	Sometimes I wait forever
ord you got to keep the faith	To stand out in the rain
Faith: dont let your love turn to hate	So no one sees me cryin
Right now we got to	Trying to wash away the pain
Keep the faith	Mother father
Keep the faith	Theres things Ive done I (8) erase
Keep the faith	Every night we fall (9) grace
ord we got to (3) the faith	Its hard with the world in yours face
Tell me baby when I hurt you	Trying to hold on, trying to hold on
Do you keep it all inside	Faith: you (10) youre gonna live thru the rain
Do you (4) me als forgiven	Lord you got to keep the faith
And just hide behind your pride	Faith: dont let your love turn to hate
Everybody needs somebody to love	Right now we got to keep the faith
(mother, father)	Faith: now its not too late
Everybody needs somebody to hate	Try to hold on, trying to hold on
(please dont leave me)	Keep the faith
