

## Fill in the gaps

Run and tell all of the angels
This could take all night
Think I need a devil to help me get things right
Hook me up a new revolution
'Cause (1) one is a lie
I sat around laughing and (2) the
(3) one die
I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for complication
Looking 'cause I'm tired of lying
Make my way back home when I learn to fly
I think I'm done nursing patience
It can wait one night
Give it all away if you give me one last try
We'll live happily ever trapped if you just save my life
Run and tell the angels that everything's all right
I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication
Looking 'cause I'm tired of trying

Make my way back home when I learn to fly
Make my way (4) home (5) I learn to
Fly along with me, I can't quite make it alone
Try to make this life my own
Fly along with me, I can't quite make it alone
Try to make this life my own
I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm (6) for a complication
Looking cause I'm tired of trying
Make my way back home when I learn to
I'm (7) to the sky to save me
Looking for a (8) of life
Looking for something to help me (9) out bright
I'm looking for a complication
Looking 'cause I'm tired of trying
Make my way back home when I learn to fly
