

Middle of nowhere by Hot hot heat

| Don't get mad if I'm laughing | But you're waiting at the door |
|--|--------------------------------|
| Blame the (1) | where everybody's (7) |
| for all the 5 am phone calls | just like they hung out before |
| I haven't (2) a single night in over a month | You didn't have to do it |
| And not even once | but you did it to say |
| did you start to make sense to me | That you didn't have to do it |
| Well maybe I'm a little bit slow, | but you would anyway |
| or (3) consistently inconsistent | To give you (8) |
| She said, "Unpredictability's my responsibility, baby." | when I go off back to the midd |
| But you're waiting at the door | To give you something to go |
| where everybody's hanging out | when I go off back to the midd |
| just like they hung out before | But you're waiting at the door |
| You didn't have to do it | (9) everybody's |
| but you did it to say | just like they hung out before |
| That you didn't have to do it | You didn't have to do it |
| but you would anyway | but you did it to say |
| To give you something to go on | That you didn't have to do it |
| when I go off back to the middle of nowhere | but you would anyway |
| To give you something to go on | To give you something to go o |
| when I go off back to the | when I go off back to the midd |
| (4) of nowhere | To (10) you somet |
| They (5) me up | when I go off back to the midd |
| and then they (6) spit me out | To give you something to go o |
| And I'm not supposed to let it bother me | when I go off back to the midd |
| But maybe I'm a little bit weak | |
| I let my fragilty take the wheel | |
| She said, "Maybe there's a bit of me | |
| waiting for a bit of you. baby." | |
