

Fill in the gaps

You know I'd fall apart without you
I don't know how you do (1) you do
Because everything that don't make sense about me
Make sense when I'm with you
Like everything that's green, girl I need you
But it's more than one and one makes two
Put aside the math and the (2) of it
You gotta know you want it too
Because I wanna wrap you up
Wanna kiss your lips
I wanna make you feel wanted
And I wanna call you mine
(3) hold your hand forever
Never let you forget it
I wanna make you feel wanted
Anyone can tell you you're pretty
You get that all the time, I (4) you do
But your beauty is deeper than the make up
And I wanna show you what I see tonight
When I wrap you up
(5) I kiss your lips
I, I wanna make you feel wanted
