vve throw tantrums like parties	i wanna get well, i wanna get well
We're not happy till everyone	Are the rest of you so content
Knows we're sick	Stay where you are but it hurts like hell
And that's just how we like it	And I'm sure it's fun at first
We've hurt bad enough, right, we've earned it	Test your pulse and check your vitals
Don't tell the others	If it's only a game you lost me
But it's all getting old, I mean	I quit it with the suicidal recital
How many more times must our stories be told?	Yes, we should've known it would end this way
And being lonely's only fun in a group	What did you expect, pretended it all away
It sort of loses it's charm when it's true	And all we've got left is a sorry pile of hearts
I (1) it when I said	I'm getting out, gonna write myself a new start
l wanna get well, I wanna get well	Come on dry (5) eyes, meet me on the other side
