Fill in the gaps

| High on every sound | So let's (7) this moment |
|---|--|
| All the lights are down | In the blurred picture |
| Because shouldn't say I don't mind | Me and my friends turn wolfs |
| I want to (1) the time | Nights like this they fall |
| And nights like this we own | You know what we mean, oh |
| And you will (2) be alone | And this ain't no trial |
| Me and my friends grow tall | Come on stay in this (8) now |
| We make big (3) small | We're going to flip (9) leaves back upside down |
| Yeah, we make big city small | In nights (10) this, you will never be alone |
| And we leave no one behind | Never gonna let it go |
| Come on stay in this minute now | Tomorrow we'll die to press rewind |
| We're going to flip these (4) back upside down | Because nights like this, you will never be alone |
| In nights like this, you will never be alone | You will never be alone |
| Never going to let it go | There will go to be no one behind |
| Tomorrow we'll die to press rewind | Oh, we will all change, change, change in the dark |
| In nights like this, you will never be alone | We can disguise |
| You will never be alone | Change, change in the dark |
| Missing reel | We can disguise |
| Sorry for the inconvenience | On nights like this you will never be alone |
| (5) Management | On nights like this you will never be alone |
| If I stare the slim | |
| I just let go, lose the grip | |
| Yeah, you feel so right, I want to (6) the time | |
