

Fill in the gaps

High on every sound	So let's cash this moment
All the lights are down	In the blurred picture
Because shouldn't say I don't mind	Me and my (14) (15) wolfs
I want to (1) the time	(16) like this they fall
And nights like this we own	You know (17) we mean, oh
And you will never be alone	And this ain't no trial
Me and my friends grow tall	Come on stay in this minute now
We (2) big city small	We're going to flip these (18) back upside
Yeah, we (3) big city small	down
And we leave no one behind	In nights like this, you will never be alone
Come on stay in this (4) now	Never gonna let it go
We're going to flip these (5) back upside down	Tomorrow we'll die to (19) rewind
In nights like this, you will never be alone	Because nights like this, you will never be alone
Never (6) to let it go	You will never be alone
(7) we'll die to press rewind	(20) will go to be no one behind
In (8) like this, you will never be alone	Oh, we (21) all change, change,
You (9) never be alone	(22) in the dark
Missing reel	We can disguise
Sorry for the inconvenience	Change, change in the dark
Theatre Management	We can disguise
If I (10) the slim	On nights (23) (24) you will never be
I (11) let go, (12) the grip	alone
Yeah, you feel so right, I (13) to stop the time	On nights (25) (26) you will
	(27) be alone
