Morning	People told you not to take chances
It's another (1) grey morning	When they told you (16) there ain't any answers
Don't know what the day is holding	And I was starting to agree
(2) I get uptight	But I awoke (17)
And I walk right into the path of (3) lightning bolt	In the path of that lightning bolt
Sirens of an ambulance comes howling	Fortune, people talking is all about fortune
(4) through the center of (5) and	Do you make it or does it (18) call you
No one blinks an eye	In the blinking of an eye
And I (6) up to the sky	Just another passer-by in the (19) of
For the path of (7) lighting bolt	(20) bolt
Met her	Everyone I see just wants
As the angels have parted for her	To walk with gritted teeth
But she (8) brought me torture	But I (22) stand by and I wait my time
But that's what happens when it's you that's standing	They say you got to toe the line
In the path of that lightning bolt	They want the water not the wine
Everyone I see (9) wants	But when I see the signs I jump on that lightning bolt
To (10) (11) gritted teeth	In silence
But I just stand by and I (12) my time	I was lying back (23) skyward
They say you got to toe the line	When the moment got shattered
They (13) the water not the wine	I remembered what she said
But when I see the (14) I jump on that	And (24) she fled in the path of (25)
(15) bolt	lightning bolt
