

Fill in the gaps

Morning	People told you not to take chances
It's another pure grey morning	When they told you (5) there ain't any answers
Don't know (1) the day is holding	And I was starting to agree
When I get uptight	But I awoke suddenly
And I (2) right into the path of that lightning bolt	In the path of (6) lightning bolt
Sirens of an ambulance comes howling	Fortune, (7) talking is all about fortune
Right through the center of town and	Do you make it or does it just call you
No one blinks an eye	In the blinking of an eye
And I look up to the sky	Just another passer-by in the path of (8) lightning
For the path of that lighting bolt	bolt
Met her	Everyone I see (9) wants
As the angels have parted for her	To walk with gritted teeth
But she only brought me torture	But I just stand by and I wait my time
But that's what happens when it's you that's standing	They say you got to toe the line
In the path of that lightning bolt	They want the water not the wine
Everyone I see just wants	But when I see the signs I jump on that
To walk with gritted teeth	(10) bolt
But I just stand by and I wait my time	In silence
(3) say you got to toe the line	I was lying back gazing skyward
They want the (4) not the wine	When the moment got shattered
But when I see the signs I jump on that lightning bolt	I remembered what she said
And chances	And then she fled in the path of that lightning bolt
