

Fill in the gaps

Up by James Morrison & Jessie J

How can I find you	It's never too (17) to turn it back around
(1) you're (2) hiding from yourself	Yeah I know you can
(3) hide and seek with me	Don't bury (18) demons deep in the ground
Till it gets too dark	When it all falls down
Too dark, inside your shell	The only way is up, up
Why do I even try	The only way is up, up, up
When you take me for granted	Well, it's your (19) that's strong
I (4) (5) better by now	It's the only thing (20) keeps me holding on
When you call I already hear that crashing sound	It's your (21) this weak
As it all (6) down	But it's not too weak to bring you back to me
It's never too late to (7) it back around	It's (22) too late to (23) it
Yeah I know you can	(24) around
Don't bury your days deep in the ground	Yeah, I know you can
(8) it all falls down	Don't bury your days (25) in the ground
The (9) way is up, up, up	When it all falls down
The only way is up	When it all falls down
I (10) your spirit break	It's (26) too late to turn it back around
As it shatters into a million pieces	Its never too late
Just like glass I see right through you	(27) it all falls down
In your (11) of excuses	The only way is up
Feels (12) groundhog day	The only way is up, up
You say the same things (13) and over	The (28) way is up
There's that (14) in your eye	When it all falls down
And I (15) that (16) sound	
As it all falls down
