Tattoos on this town by Jason Aldean

There's still black marks on that county road

Where we (1)_____ raced our pick ups

And mustangs

And weathered on the summer rain

And to this day up on that overpass

Even underneath the new paint, you can still see:

"Allie will you marry me?"

Take a ride, look around

(2)_____ ain't no doubt

It sure left it's mark on us,

We sure left our mark on it

We let the world know we were here

With everything we did

We laid a lot of memories down

Like tattoo's on this town

There's still a rope burn on the old branch,

that hangs over the river, I still got the scare

From swinging out a little too far

(3)_____ ain't a corner of this hallowed ground,

That we ain't laughed or cried on,

it's where we loved, (4)_____ and learned a lot of stuff

It's everything we're made of

It sure left it's mark on us,

We sure left our (5)_____ on it

We let the world know we (6)_____ here

With everything we did

We laid a lot of memories down,

Like tattoo's on this town

Like tattoo's on this town

Everywhere, there we are

It (7)_____ me right, in my heart

It sure left it's (8)_____ on us,

we sure left our mark on it

We let the world know we were here

With everything we did

We laid a lot of memories down,

But we'll always be hanging around

Like tattoo's on this town
