

## Fill in the gaps

A little like Gene Wilder now
(1) out of the tower now
In a (2) elevator that
could take you all the way to the sky
Ain't trying to fool you now
I got nothing to lose and no how
So be in it with the limitless
image of the intimate
figure what you're giving is love
All you need is love
Ain't it nice to get out of here?
Already out of the atmosphere
Well if the glass ever shattered
well it wouldn't really matter
it's our love that is lifting us up
All you need is love
We're going up, up, up
We're (3) away
We're taking the higher route
We're taking the ceiling out
We're going up, we're flying away
Never coming down
because we're living it up
we're living it up, yeah
What happens when your light goes out
No one's there to give you mouth to mouth
Don't let the break down trouble you
and (4) that a brother need's a hero now
Because I know, you know
because once you know you'll always know
It's your own, your own love
that gets you where you wanna go
We're going up, we're flying away

Nover coming down
Never coming down
Taking the (5) out
We're going up, we're flying away
We're taking the higher route
That's because we're living it up
we're living it up, yeah
Knowing it's good
and I don't mean good enough
when it's really love
Well you can just (6) above anything
it's our destiny, yeah
A little like (7) Wilder now
Coming out of the tower now
In a glass elevator that could take you
all the way to the sky
For going up, for (8) away
We're taking the higher route
We're taking the higher route  We're taking the ceiling out

We're taking the ceiling out
We're taking the ceiling out We're going up, we're flying away
We're taking the ceiling out We're going up, we're flying away Never coming down
