

I feel lucky like a four leaf clover

Fill in the gaps

Yes, Miss Lopez	I'm into you, I'm into you
Hi, I'm Tune, the man on the moon	I'm into you, yeah
I live on the beach, get the (1) out your shoes	I'm into you, I'm into you
And all of (2) changed since I met you	I'm into you, yeah
So we can leave that old sh*t in the restroom	Ok, now I'm into you, like you never know
Young money	I'm falling for you baby, I need a parachute
	So wet, I need a wetsuit
You got me and I could not defend it	Your way to fly, I could be your jet fuel
I tried but I had to surrender	Now tell me what you like
Your style got me under the spell	I like what you tell me
Let me no other choice but to get down	And if you understand me
It's too late, it's too late	You can overwhelm me
It's too late, it's too late	It's too late, it's too late
You got it, you got it	Every finish line is the beginning of a new race
You got it, you got it	Move your body
When I look into your eyes, it's over	Move your body
You got me hooked with your love controller	Dance for your body
I'm tripping and I could not get over	Rock your body
I feel lucky like a (3) leaf clover	Rock your body
I'm into you, I'm into you	Dance for your body
I'm into you, yeah	When I look into your eyes, it's over
I'm into you, I'm into you	You got me hooked with your love controller
(4) into you, yeah	I'm tripping and I (8) not get over
Listen, now I'm strong baby I bring the fire on	I feel lucky like a four leaf clover
Sharpshooter you can call me the Zion	I'm into you, I'm into you
I'm not the one easy to get to	I'm (9) you, yeah
But all that changed, baby when I met you	I'm into you, I'm into you
It's too late, it's too late	I'm into you, yeah
(5) too late, it's too late	I'm into you, I'm into you
You got it, you got it	I'm into you, yeah baby
You got it, you got it	I'm (10) you, I'm into you
When I look into your eyes, it's over	I'm into you, yeah
You got me hooked with your (6) controller	
I'm tripping and I (7) not get over	

- 1. sand
- 2. that
- 3. four
- 4. I'm
- 5. It's
- 6. love
- 7. could
- 8. could
- 9. into
- 10. into
