

Fill in the gaps

Yes, Miss Lopez		I'm into you, I'm into you	
Hi, I'm Tune, the man on the moon		I'm into you, yeah	
I live on the beach, get the (1)	out your shoes	I'm into you, I'm into you	
And all of that (2)	since I met you	I'm into you, yeah	
So we can leave that old sh*t in the restroom		Ok, now I'm into you, like you never know	
Young money		I'm falling for you baby, I need a parachute	
		So wet, I need a wetsuit	
You got me and I could not defend it		Your way to fly, I could be your jet fuel	
I tried but I had to surrender		Now tell me what you like	
Your style got me under the spell		I like what you tell me	
Let me no other (3)	but to get down	And if you understand me	
It's too late, (4) too	late	You can overwhelm me	
It's too late, it's too late		It's too late, it's too late	
You got it, you got it		Every finish line is the beginning of a new race	
You got it, you got it		Move your body	
When I look into your eyes, it's over		Move your body	
You got me hooked with your love controller		Dance for your body	
I'm tripping and I could not get over		Rock your body	
I feel lucky like a four leaf clover		Rock your body	
I'm into you, I'm into you		Dance for your body	
I'm into you, yeah		When I look into your eyes, it's over	
I'm into you, I'm into you		You got me hooked with (7)	_ love controller
I'm into you, yeah		I'm tripping and I could not get over	
Listen, now I'm strong baby I bring the fire on		I feel lucky like a four leaf clover	
Sharpshooter you can call me the Zion		I'm into you, I'm into you	
I'm not the one easy to get to		I'm into you, yeah	
But all that changed, baby when I met you		I'm into you, I'm into you	
It's too late, it's too late		I'm into you, yeah	
It's too late, it's too late		I'm into you, I'm into you	
You got it, you got it		I'm (8) you, yeah baby	
You got it, you got it		I'm into you, I'm into you	
When I look into your eyes, it's over		I'm (9) you, yeah	
You got me (5) with	your love controller		
(6) tripping and I could	d not get over		
I feel lucky like a four leaf clover			

- 1. sand
