

Fill in the gaps

In the (1) of an eye I was falling from the sky	They keep talking, talking
In the blur, you took my breath away	But we're walking, walking
And my heart starts beating	To the light tonight, tonight
And my lungs start breathing	You're like a laserlight
And the voice in my head starts screaming:	Burning down, burning (7) on me
I'm alive	You're like a laserlight
You're like a laserlight	Burning down, burning down on me
Burning down, burning (2) on me	You make me feel good, you (8) me feel safe
You're like a laserlight	You make me feel like I can live (9) day
Burning down, burning down on me	You make me feel good, you make me feel safe
You make me feel good, you make me feel safe	You know I wouldn't have it any other way
You make me feel like I can live (3) day	-Have it any other way-
You make me feel good, you make me feel safe	There's no stop, stop, stop
You know I wouldn't (4) it any other way	I won' stop stop, stop
-D, D, D, (5) G-	We won't stop, stop, stop
-J, J, J, Jessie J-	We won't stop, stop, stop
You and me, face to face	We won't stop, stop, stop
And there's so much I could say	In the blink of an eye I was falling from the sky
And these words, have forever seen the silence	In the blur, you took my breath away
Can you hear (6) box breaking	
And the world starts shaking?
