

Fill in the gaps

Working class hero by John Lennon

As soon as you're (1)	you're so full of fear
They make you feel small	A working class hero is something to be
By giving you no time instead of it all	A working class (5) is something to be
Till the pain is so big	Keep you doped with (6) and sex and
You feel nothing at all	TV
A working class hero is something to be	And you think you're so clever and classless and free
A working class hero is something to be	But you're still (7) peasant as far as I can see
They hurt you at home	A working class hero is something to be
And (2) hit you at school	A working class hero is something to be
They hate you if you're (3)	There's room at the top (8) are telling you still
And they despise a fool	But (9) you must learn how to smile as you kill
Till you're so fuc**g crazy	If you want to be like the folks on the hill
You can't follow their rules	A working class hero is something to be
A working class hero is something to be	A working class hero is (10) to be
A working class hero is something to be	If you want to be a hero
When they've tortured and (4) you	Well, just follow me
for twenty odd years	If you want to be a hero
Then they expect you to pick a career	Well, just follow me
When you can really function
