

## Fill in the gaps

I've (1) searching for you	I wonder if I'll ever see you again
I heard a cry within my soul	I've searched through time
I've never had a yearning quite like this before	I've always known
Now here you are walking right through my door.	That you were there upon (4) throne
(Chorus)	A lonely queen without her king
All of my life	I've (5) for you my love forever
Where have you been	-short interlude-
I (2) if I'll ever see you again	(Chorus)
And if that day comes	All of my life
I know we could win	Where have you been
I wonder if I'll ever see you again	I (6) if I'll (7) see you agai
A sacred gift of heaven	And if that day comes
For better, worse, wherever	I know we (8) win
And I (3) never let somebody break you down	I wonder if I'II (9) see you again
Or take your crown never	(repeat Chorus one more time)
(Chorus)	I wonder if I'll ever see you again
All of my life	I wonder if I'll (10) see you again
Where have you been	I wonder if I'll ever see you again
I wonder if I'll ever see you again	I wonder if I'll ever see you again
And if that day comes	I wonder if I'll ever see you again
I know we could win
