

Fill in the gaps

You (1) who you love, who you love	(14) you (15) who you love, who you
You love who you love, who you love	love
My girl ain't the one (2) I saw coming	You love who you love, who you love
And sometimes I don't know (3) way to go	Yeah, you love who you love, who you love
And I tried to run before	Oh, you can't make yourself stop dreaming
But I'm not running anymore	Who you're (16) of
Because I've (4) against it	If it's who you love
(5) (6) to know	Then it's who you love
That you love who you love, who you love	Oh, you love who you love, who you love
You love who you love, who you love	You love who you love, who you love
You love who you love, who you love	You (17) who you love, who you love
Oh, you can't make yourself (7) dreaming	Oh, you can't make yourself stop dreaming
Who you're dreaming of	Who you're dreaming of
If it's who you love	If it's who you love
(8) it's who you love	Then it's who you love
My boy ain't the one (9) I saw coming	It's who you love
And some have (10)	Who you love
His heart's too hot to hold	Who you love
And it takes a little time	Who you love
But you should see him (11) he shines	You're the one I love
Because you (12) want to let that
