

Fill in the gaps

River's strong	You can rest your head on my shoulder
You can't (1) inside it	If you want to get older with me
We could string some lights	(7) a little bit of summer
Up the hill beside it	Makes a lot of history
Tonight the moon's so bright	And you look fine, fine, fine
You, you could drive with your headlights out	Put your feet up next to mine
Because a (2) bit of summer is	We can (8) that water line get higher and higher
What the (3) year's all about	Say, say, say, ain't it been some kind of day
You look fine, fine	You and me been catching on
Put your feet up next to mine	Like a wildfire
We can watch that water line get (4) and	I got a rock from the river in my medicine bag
higher	Magpie feather in his medicine bag
Say, say, say ain't it been (5) kind of day	Say, say, say, ain't it (9) some kind of day
You and me been catching on	You and me been catching on
Like a wildfire	Like a wildfire
Don't get up just to get another	
You can drink from mine	
We can't leave (6) other	
We can dance with the dead
