

Fill in the gaps

saw you on Sunday, Monday	You are the one who's cheating
(1) your man again	But if you're heart is beating
You came back on the Tuesday	Bring it home, (7) it to me
With that cold at look ashamed	You are the one who's creeping
Oh, I could love you better	You are the one who's cheating
Better than you once knew	But if you're heart is beating
And if you're cheating, cheat on, yeah	Bring it home, bring it to me
(3) is just the	You are the one who's creeping
(5) you do	You are the one who's cheating
It's just a thing you do	But if you're heart is beating
I saw you on Friday, Saturday	Bring it home, bring it to me
Tearing up another heart	You are the one who's creeping
You came home at crying	You are the one who's cheating
Why do you take it all so hard?	But if you're (8) is beating
You know I love you better	Bring it home, bring it to me
Better than you once knew	I could love you better
And if you're cheating, (6) on yeah	(9) than you once knew
But I would never cheat on you	And if you're cheating, cheat on, yeah
I could love you better	But I would never (10) on you, no
Better than you once knew	I could love you better
And if you're cheating, cheat on, yeah	Better than you once knew
Because cheating is just the thing you do	And if you're cheating, cheat on, yeah
It's just a thing you do	Because cheating is just the thing you do, no
Oh no, I will told you baby	
You've done some things so bad to me	
I know	
You are the one who's creeping
