

## Fill in the gaps

Riding (1) the city on my bike all day	Sun is in the sky, oh why, oh why
Cause the filth (2) away my license	Would I wanna be anywhere else?
It doesn't get me down and I feel O.K.	Sun is in the sky, oh why, oh why
Cause the sights (3) I'm seeing are priceless	Would I (18) be anywhere else?
Everything (4) to look as it should	When you look with your eyes
But I wonder (5) goes on behind doors	Everything seems nice
A fella looking dapper, but he's (6) with a	But if you (19) twice
slapper	You can see it's all lies
Then I see it's a pimp and his crack whore	Life, yeah that's city life, yeah that's city life, yeah that's city
You might laugh, you might frown	life
Walking 'round London town	Life, yeah that's city life, yeah that's city life, yeah that's city
Sun is in the sky, oh why, oh why	life
Would I (7) be anywhere else?	Sun is in the sky, oh why, oh why
Sun is in the sky, oh why, oh why	Would I wanna be anywhere else?
Would I wanna be anywhere else?	Sun is in the sky, oh why, oh why
When you look (8) (9) eyes	Would I (20) be anywhere else?
Everything seems nice	Sun is in the sky, oh why, oh why
But if you look twice	Would I (21) be (22) else?
You can see it's all lies	Sun is in the sky, oh why, oh why
There was a little old lady who was walking (10)	Would I (23) be anywhere else?
the road	When you look (24) (25) eyes
She was struggling with bags (11) Tesco	Everything seems nice
There were people from the city (12)	But if you look twice
(13) in the park	You can see it's all lies
I believe that it's (14) al fresco	When you (26) with (27) eyes
When a kid came (15) to offer a hand	Everything seems nice
But before she had time to accept it	But if you (28) twice
Hits her (16) the head, doesn't care if she's dead	You can see it's all lies
Cause he's got all her jewellery and wallet	
You (17) laugh, you might frown	
Walking 'round London town
