

Fill in the gaps

Hey, I see you working it
I see you strutting down the street
You look important huh?
I walk the other way
I don't wanna bother you with my sobriety
We used to share the summer nights
Riding our stolen bikes
But now I don't interest you
I'm (1) a blog (2) 1999
I only see you when you're walking, (3) to
somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to somewhere
You're so restles, it must be special there
And the next night I see you (4) over there
With girl number 150
Your fashion caught her eye?
Another conquest of your personality

I've tried to indicate that she could be someone for me
But every weekend I see you
(5) with her quarter to three
I (6) see you when you're walking, walking to
somewhere
You're so restless, what can be (7) there?
I (8) see you when you're walking, walking to
somewhere
You're so restles, it must be special there
I just want to conversate with you
But you keep on talking to your phone
You're so restless, you're gonna end up alone
I only see you when you're walking, walking to somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to somewhere
you're so restles, it must be special there
