Fill in the gaps

Strange love (BSO Frankenweenie) by Karen O

Love, love is strange, on		Love, on, (6) is strange, on
When there's (1)	on the inside	When there's beauty on the inside
The outside there's nothing to change		The outside there's nothing to change
In the life that I know		The lightnings not frightening
Or after it I want to be		When you are with me, oh
Someone to love with		Because love is not always
Someone watching (2)	_ me	What you think it'll be
Rain or storm		Love, oh, (7) is strange, oh
The only place I want to be		(8) there's beauty on the inside
Is close to the heart of		The outside there's (9) to change
Everything you'd ever need		Strange love, strange love for one another
The lightnings not frightening		Strange love, strange (10) for one another
When you are with me, oh		Can't judge a book by its cover
Because love is not (3)		Strange love, strange love for one another
What you think it'll be		Strange love, strange love for one another
Love, oh, love is strange, oh		Strange love, strange love for one another
(4) there's beauty on the inside		Can't judge a book by its cover
The outside there's nothing to change		Strange love, strange love for one another
Strange love, strange love for one another		Strange love, strange love for one another
Strange love, strange (5) for one another		Karen O - Strange love
Can't judge a book by its cover		
Strange love, strange love for o	ne another
