

This is more than a typical kinda thing

So let's get up, let's get on it

Fill in the gaps

Don't you leave me brokenhearted tonight

I've

Felt the joints in my bones	Come on, that's right
where you (1) touching me	Honest baby I'll do anything you want to
Didn't want to take it slow	So can we finish what we started
In that days, going crazed	Don't you leave me brokenhearted tonight
I can barely think	Come on, that's right
You're replaying in my brain	Uh cheerio!
find it hard to sleep waiting for my phone to blow	Anything you wanna do, I'll be on it too
Now I'm here in a sticky situation	Everything you say, it's (5) a gold with a view
Got a little trouble,	(6) on the front, party in the back
yep and now I'm pacing	Maybe I was wrong, was the alf really wack
Five minutes, ten minutes, now it's been an hour	This kinda thing doesn't happen usually
Don't wanna think too hard, but I'm sour	I'm on the opposite side of it, truthfully
I can't seem to let you go	I know you want it so come and get it
See I've been waiting all day for you to call me baby	Uh cheerio!
So let's get up, let's get on it	See I've been waiting all day for you to call me baby
Don't you leave me brokenhearted tonight	So let's get up, let's get on it
Come on, that's right	Don't you leave me brokenhearted tonight
Honest baby I'll do anything you want to	Come on, that's right
So can we finish what we started?	Honest baby I'll do anything you want to
Don't you (2) me brokenhearted tonight?	So can we (7) (8) we started
Come on, that's right	Don't you leave me brokenhearted tonight
Uh cheerio!	Come on, that's right
What's the time, such a crime	Uh cheerio!
Not a single word, slipping on a patron	When you gonna call
(3) to calm my nerves,	Don't leave me (9)
Popping bottles by the phone	been waiting up
Act me up, pat me down, turn me inside out	Let's finish what we started
That's enough, hold me up, maybe I'm in doubt	I can't seem to let you go, come on, that's right
Now don't even think you know, no, no	Uh cheerio!
See I've been (4) all day for you to call me
