find it hard to sleep waiting for my phone to blow	Anything you wanna do, I'll be on it too
Now I'm here in a sticky situation	Everything you say, it's like a gold with a view
Got a little trouble,	Business on the front, party in the back
yep and now I'm pacing	Maybe I was wrong, was the alf really wack
Five minutes, ten minutes, now it's been an hour	This kinda thing doesn't happen usually
Don't wanna think too hard, but I'm sour	I'm on the opposite side of it, truthfully
I can't seem to let you go	I know you want it so come and get it
See I've been waiting all day for you to call me baby	Uh cheerio!
