The Man Who Sold The World by Nirvana

We passed upon the stair	I gazed a gazeless stare
We spoke of was and when	We walked a (5) hills
Although I wasn't there	I must have died alone
He said I was his friend	A long, (6) time ago
Which came as a surprise	Who knows?
I (1) into his eyes	Not me
I thought you (2) alone	I never lost control
A long long time ago	You're (7) to face
Oh no, not me	With the Man who (8) the World
We (3) lost control	Who knows?
You're face to face	Not me
With The Man Who Sold The World	We never (9) control
I laughed and shook his hand	You're face to face
And made my way (4) home	With the Man who (10) the World
I searched for form and land
