

Fill in the gaps

Doomed from the start	When you have everything, it can't be true
We met (1) a (2) kiss,	Maybe the (12) we had are gone,
I (3) my wrist	(13) in silence for too long
It all kicked off, I had no choice	(14) you're eyes and what do you see?
You said that you didn't mind	The (15) stand, let go of my hand
'cause love's (4) to find	Turning slowly, looking back, see
Maybe the days we had are gone,	No words, can (16) this,
living in silence for too long	you're broken and I'm pissed
Open your (5) and what do you see?	Run along (17) I'm supposed to,
No (6) laughs, no more photographs	be the man I (18) to
Turning slowly, (7) back, see	Rock and Roll, sent us insane,
No words can (8) this,	I hope someday that we (19) (20)
you're broken and I'm pissed	again
Run along, like I'm supposed to,	You go your way and I'll go my way
be the man I ought to	No words can save us,
Rock and Roll, (9) us insane,	this (21) made us
I hope (10) that we will meet again	Run along like I'm supposed to,
Running wild	be the man I ought to
Giving it everyone, now that's all done	(22) and Roll, sent us insane,
Cause we burnt out,	I (23) someday (24) we will
that's (11) you do	(25) again
