

Fill in the gaps

Circle the drain by Katy Perry

This is the last time, you say
After the last line you break
It's not even a holiday
Nothing to celebrate
You give a hundred reasons why
And say you're really gonna try
If I had a nickel for every time
I'd own the bank
Thought I was the exception
I could re-write your addiction
You (1)_____ have been the greatest
But you'd (2)_____ get wasted
You (3)_____ asleep during foreplay
'Cause the pills you (4)_____ are more (5)_____
forte
I'm not sticking around to watch you go down
(6)_____ be your lover
Not your fu*king mother
Can't be your savior
I don't have the power
I'm not (7)_____ stay
And watch you (8)_____ the drain
Watch you (9)_____ the drain
Watch you circle the drain
You say you have to write your rhymes
Whatever (10)_____ asleep at night
You've become what you despise
A stereotype
You think you're so (11)_____ and roll
But you're really just a joke
Had the world in the palm of your hand
But you (12)_____ choked
Should (13)_____ been my teammate
Could have changed your fate
You say that you love me

You won't remember in the morning
You fall (14)_____ during foreplay
'Cause the pills you (15)_____ are more your forte
(16)_____ not sticking around to watch you go down
Wanna be your lover
Not your fu*king mother
Can't be your savior
I (17)_____ have the power
I'm not (18)_____ stay
And watch you circle the drain
Watch you circle the drain
(19)_____ you (20)_____ the drain
You fall (21)_____ during foreplay
'Cause the pills you take are more your forte
I'm not sticking around to watch you go down
-I'm not sticking around-
Wanna be your lover
Not your fucking mother
(22)_____ be your savior
I don't have the power
I'm not gonna stay
And watch you circle the drain
Watch you (23)_____ the drain
Watch you circle the drain
Watch you circle the drain
(24)_____ you circle the drain
(25)_____ going down
(bis)
You fall asleep during foreplay
'Cause the (26)_____ you (27)_____ are more
your forte
I'm not sticking around to watch you go down

Fill in the gaps

Answer

1. could
2. rather
3. fall
